Or you can use your school's Athletic.net page and access via Calendar to register.

Important to know:

- 1) See dates at the bottom when online registration opens and closes.
- 2) Each school is responsible to have their track & field results uploaded in Athletic.net every so often. The reason of this is to capture athletes' best performances for seeding purpose.
- 3) Athletes' personal record (PR) will be used, not season's best (SB). What does that mean? If athlete's PR was from 2024 season or older, this will be used. It is imperative that your school's track & field results are uploaded in Athletic.net to capture athletes' PR for seeding purpose.
- 4) If your school have no results in Athletic.net, by default, your athletes' best performances will indicate as NT (no time), ND (no distance), or NH (no height). Overrides to supply seeds for individual events will not be allowed. Supply relay seeded times will be accepted.
- 5) Berg/Seeger Classic is limited to 12 boys and 12 girls. It is your responsibility to keep track of how many athletes registered.
- 6) Athletes' DOB and grades are required for verification purpose. For Athletic.net first time user, please take advantage now to build your rosters along with their DOB and grades.
- 7) Maximum entries:
 - a. Maximum of 3 athletes per school per event.
 - b. Athlete may enter a maximum total of 4 events combined (individual and relays).
 - c. Relay alternates (leg #5 and #6) does not count towards athlete entry limit.
