Note:

The final results were announced 10 minutes after the completion of the meet. The next day, USA Deaf Track & Field officials had a final review of all results. Texas School for the Deaf was disqualified for boys 4x400m Relay because an athlete had participated in his third relay event. The rule had clearly stated that each athlete is allowed to compete up to 3 individual events and 2 relay events. Therefore Alabama School for the Deaf was awarded the winner. This still does not affect the team overall standings as Texas still has the highest points.
