## Definitions

**World** - This is the best performance ever recorded made by Deaf / hard of hearing athlete. All records have been monitored since 1924 and are reviewed and approved by the ICSD organization including Athletics Technical Director.

**World Junior** - This record keeping tracking system was established in January 2005 after the Technical Directors meeting in Melbourne, Australia which track & field team leaders throughout the world voted and approved a new World Junior Record category. All junior records were recognized starting in 2005 and onwards. This is for any athletes who have reached at age 19 as of December 31. All hurdle heights and weight implements must follow the junior category as stated by the IAAF.

**Deaflympics** - This is also commonly known as Games Record. Deaflympic Games are held every 4-year since 1924. Setting and breaking records at the Games are recognized as Deaflympics Record.

**Championship** - This is a new category which started in 2008 where there was first ever World Deaf Athletics (Track & Field) Championships held in Izmir, Turkey. This World Championships are held every 4-year and all new records are recognized at these Championships event.

As of: **30 March 2014**

**PANAMDES** - The first PANAM Deaf Games was established in 1975. Then this event has been on hold for a long time then it finally came back in 1999. From there on, PANAM Deaf Games is held every 4-year and all new records are held at these PANAM Deaf Games.

**Junior PANAMDES** - PANAMDES stopped the youth events in 2006 and instead used junior category starting in 2010. This is for any athletes who are in between the ages of 16 to 19 years old as of December 31. This Junior PANAMDES event is held every 4-year and all junior records recognized are in these Junior PANAM Deaf Games. All hurdle heights and weight implements follow the junior category as defined by the IAAF.

**Youth PANAMDES** - This youth event first started in 2000 and has been held every 2-year until 2006. There were 3 different age categories, Bantam 10 to 11 years old, Midget 12-13, and Youth 14-15. Due to time constraints, budget issues, and required adult supervision, PANAMDES board in 2006 had voted to stop youth events and instead move to junior classification.

**American** - This is the second highest performance record that Deaf / hard of hearing USA athlete can achieve to break American Record. The records were made by American athletes that hold United States citizenship.

**Collegiate** - The records were made by Deaf / hard of hearing athletes in their respective school in the US such as NCAA I, II, III, NAIA, or NJCAA. Records cannot be recognized after the end of the year sanctioned collegiate championships and any non-collegiate events.

**Gallaudet** - The records were made by Gallaudet athletes. Records cannot be recognized after the NCAA III Championships and any non-collegiate events.

**Prep** - The records were made by Deaf / hard of hearing athletes in their respective school including both Deaf and mainstreamed schools. All records are eligible to be recognized up to August 31. Prep athletes also must represent his/her school and records cannot be recognized if competed for National Team or as unattached athlete.

**Prep Deaf School** - The records were made by Deaf / hard of hearing athletes in their respective Deaf school, including both residential and day schools. All records are eligible to be recognized up to August 31. Prep athletes also must represent his/her school and records cannot be recognized if competed for National Team or as unattached athlete.

**Indoor American** - The indoor records were made by Deaf / hard of hearing USA athletes and these athletes hold United States citizenship.

**Indoor Collegiate** - The indoor records were made by Deaf / hard of hearing athletes in their respective school in US such as NCAA I, II, III, NAIA, or NJCAA. Indoor records cannot be recognized after the end of the year sanctioned indoor collegiate championships and any non-collegiate events.

**Indoor Gallaudet** - The indoor records were made by Gallaudet athletes and records cannot be recognized after the NCAA III Indoor Championships and any non-collegiate events.

**Indoor Prep** - The indoor records were made by Deaf / hard of hearing athletes in their respective school including Deaf and mainstreamed schools. All Indoor Prep Records are eligible to be recognized up to April 30. Please note that some states do not offer official high school indoor championships, therefore athletes in those states will have to be represented by their track club or be unattached in order to get their indoor records recognized. This will be accepted as long as the State clearly shows that they do not have official indoor meet. Athlete's representation will be named according to his/her school.

**Indoor Prep Deaf School** - The indoor records were made by Deaf / hard of hearing athletes in their respective Deaf school, including both residential and day schools. All Indoor Prep Deaf School Records are eligible to be recognized up to April 30. Please note that some states do not offer official high school indoor championships, therefore athletes in those states will have to be represented by their track club or be unattached in order to get their indoor records recognized. This will be accepted as long as the State clearly shows that they do not have official indoor meet. Athlete's representation will be named according to his/her school.

**International Meet** - This record is recognized by any international events that USA hosted on US soil. This includes Friendship Games, Exchange Meet, or any type of international meets except Summer Deaflympics and World Championships events.

**International Prep Meet** - Similar to International Meet Record above, however, this is for prep only up to the age of 19 years old as of December 31.

**USA Team Tryouts** - This is the tryouts record where the meets were held 1-year before the Summer Deaflympics. Tryouts were held every 4-year from 1968 to 2000. The last USA Team Tryouts was in 2000 held in Washington DC on Gallaudet University campus. Due to the declining number of participants in the tryouts, starting in 2005 and onwards, USADTF uses Qualification Standards and they are based on the averages from the last two Summer Deaflympics. The athlete criteria were in place to select the USA Team athletes to participate in World Championships and Summer Deaflympics.

**Archived American** - This is for all events that are no longer existed today in Track & Field community. This includes yards, old javelin implement, and any event that are not available for athletes today. Instead of discarding the old records, we keep them for public viewing and statistical purpose.

**Archived Gallaudet** - Similar to Archived American Record, however, these records were made by Gallaudet athletes.

**Archived Prep** - Similar to Archived American Record, however, these records were made by prep athletes.
